

## Hydrafacial Treatments

### FOR ALL SKIN TYPES & NEEDS

Using Patented Vortex-Fusion Technology to Cleanse, Extract and Hydrate

#### WHAT IS A HYDRAFACIAL TREATMENT?

Hydrafacial is an invigorating treatment that can be given in as little as 30-45 minutes. It delivers long-term skin health and can be tailored to meet the specific needs of all skin types. It offers instant, noticeable results with no downtime or irritation. The Hydrafacial treatment removes dead skin cells and extracts impurities while simultaneously bathing the new skin with cleansing, hydrating and moisturizing serums. The treatment is soothing, refreshing, non-irritating and immediately effective.

#### EXCELLENT FOR IMPROVING:

Fine Lines & Wrinkles

Elasticity & Firmness

Skin Texture

Hyperpigmentation/Photo Damage

Dullness & Dehydration

Oil/Congested Skin

Enlarged Pores

#### PLATINUM HYDRAFACIAL

The ultimate Hydrafacial experience. Begin the detoxification process with Lymphatic Drainage. Follow with the Signature Hydrafacial to deeply cleanse, extract and hydrate the skin. Address specific skin concerns with a booster or your choice - Radiance or Age-Refinement. This treatment concludes with LED Light Therapy to further reduce the visible signs of aging.

one treatment \$300 | four treatments \$1135

#### WET DIAMOND HYDRAFACIAL

The usual blue tip, for exfoliation, is used for one pass along your face, then the tip is switched to the wet diamond microdermabrasion tip for one final pass. The wet diamond tip allows for the Hydrafacial treatment serums to pass through the tip. They have combined the suction and hydration from Hydrafacials with the truly scrubbed clean feeling that comes from microdermabrasion.

one treatment \$204 | four treatments \$716

#### SIGNATURE HYDRAFACIAL

Deeply cleanse, extract, and hydrate the skin through our super serums filled with antioxidants, peptides, and hyaluronic acid.

one treatment \$175 | four treatments \$600

# Hydrafacial Boosters

## WHAT DO HYDRAFACIAL BOOSTERS DO?

Hydrafacial boosters target specific skin problems. A wide range of boosters are available, each containing specific ingredients that help improve skin in different ways.

## WHY CONSIDER BOOSTERS?

Boosters provide a safe and effective way to make your Hydrafacial treatments more targeted to fit your needs. Boosters can help improve your skin, resulting in a healthier look and a more youthful appearance.

### **MURAD VIT-C \$57**

An intensive glycolic acid and vitamin C booster accelerates surface renewal and minimizes the look of dark spots and hyperpigmentation for dramatically brighter, smoother, healthier-looking skin.

### **JLO BOOSTER \$55**

Help brighten, tighten, and hydrate skin's appearance. Great booster to prepare for a big event.

### **BRIGHTEN BOOSTER \$57**

Balances skin tone and helps to minimize the appearance of dark spots.

### **FIRM BOOSTER \$57**

Enhances skin elasticity and helps smooth the appearance of fine lines and wrinkles.

### **MURAD CLARIFYING BOOSTER \$57**

Cleanses, dissolves excess oil, and purifies pores with salicylic acid to reduce severity of acne and green tea extract to help soothe irritation. Treats acne and prevents future breakouts.

### **NASSIFMD HYDRAGLUCAN INTENSE HYDRATION BOOSTER \$55**

A proprietary cocktail of ingredients, including hyaluronic acid, glucan and betaine will hydrate, repair, rejuvenate and protect your skin, while restoring plumpness, radiance and addressing the signs of aging.

### **ROZATROL \$65**

Contains an exclusive complex that helps minimize redness and inflammation. It is ideal for red, sensitized skin but can be used on all skin types. Great for rosacea.
